

The first marathon

The marathon is a race of 42,195 metres, and the men's marathon is traditionally the last event of the Olympics. The men's marathon has been in the Olympics since 1896, and the women's marathon was first in the Olympics in 1984. But this race was first run in 490 BC. Do you know the story of the first Marathon?

Read the text below. Can you fill in any of the gaps?

Read and listen to the story of the first marathon for help:
